

PRESENTER

The Presenter is the smallest most compact screen available. With the choice of a 40" or 50" diagonal size and the unique Wide Power fabric, the Presenter is perfect for tabletop presentations. Lightweight and easy to use, it is the ideal companion for an ultra-portable projector.

PRESENTER

Setup is a snap with the Presenter, simply fold out the legs and open the case.

Featuring a unique scissor mechanism for opening and closing screen.

The base of the Presenter makes the screen stable while protecting the surface it is placed on.
