

Expand Tower

Expand Tower

Expand Tower is a highly effective medium for attracting a little extra attention. On a small floor surface, the exciting shape allows you to come up with different and creative solutions. Expand Tower helps you communicate your message effectively and is an excellent way of exposing your logotype. To add more emphasis to the message, there are also two lighting

alternatives to choose from. Expand Tower comes in a practical nylon bag.

Diameter: 26" Height: 88"
