Impact Wellness Station Pop Up Wall

Impact Wellness Station Pop Up Wall

With our new Impact Wellness Station Pop Up Wall, you can have employees, customers, or patients easily administer touch-free temperature checks & sanitizing to themselves. Even with the vaccine coming, it's still important for everyone to follow protocols and sanitize and check themselves before entering public spaces. The hands free sanitizer dispenser makes it easy for people to clean their hands and the temperature gauge sounds an alarm if it exceeds 98.6 degrees Fahrenheit. The Wellness Station graphic cover features DefenderStretch antimicrobial fabric, which inhibits the growth and spread of germs and bacteria.

The Wellness Station is a simple, collapsible display that assembles in minutes and is can be easily collapsed to be moved if needed! It is designed to re-used, making the DefenderStretch antimicrobial

fabric the optimal material to create long lasting freshness and slow the growth and spread of germs and bacteria.

The Wellness Station Includes:

- Hands-free temperature gauge
 - Battery operated, takes 3, AA batteries
 - Alarm sounds if temperature exceeds 98.6° F
- Hands-free 1000ml sanitizer dispenser w/ drip tray
 - Battery operated, takes 4 C batteries
- DefenderStretch antimicrobial fabric graphic
 - Protective coating inhibits the growth of microorganisms, fungus, and bacteria
 - Offered with end caps
 - Attaches with hook & loop
- 8ft wide (3 x 3 quad) straight collapsible frame
 - Assembled unit: 89"W x 89"H x 12"D
- Internal mounts (2) hold temperature gauge and sanitizer dispenser
- Includes wheeled hard case
- One year limited warranty

14 of 25

<https://www.impact-displays.com/category/accessories/impact-hand-sanitizer-station-stands-protective-shields-masks/>

Impact 14ft Pre-Designed Business Flags

Our Impact 14ft Pre-Designed Business Flags are perfect for garnering attention outdoors. They'll let your customers know you're open during COVID-19 and let them know which services you have available! Custom printed on polyester mesh by the process of dye sublimation, inks heavily saturate the material to create a "bleed-through" visual effect for single-sided prints, and double-sided prints are finished with a silver-gray blocker that lays between. Black flag trim is sewn on the graphic for easy pole insertion. A set of grommets installed on lower-trim receives the short bungee cord (included) through its loop and snugly attaches the graphic to the base. Insert the spike base into the grass.

We offer 11 pre-designed options to choose from or you can upload your own artwork for a custom print!

Available in single or double-sided flags, as well as graphic packages with flag and stand, or graphic flag only.

Package Includes:

- (1) Graphic Print
- (1) Pole #1
- (1) Pole #2
- (1) Pole #3
- (1) Pole #4
- (1) Spike Base
- (1) Carry Bag

Features:

- **Wind Speed Rating:** 18-23 mph
- **Graphic Dimensions:** 24.25"w x 140"h
- **Graphic Material:** Mesh Fabric
- **Print Process:** Dye-Sublimation
- **Warranty:** One (1) year on Graphic Banner; Lifetime on Hardware

Price: \$119.00 - \$139.00

Impact Social Distancing Seat Cover Signs

Impact Social Distancing Seat Cover Signs

Help stop the spread of infectious diseases with our Impact Social Distancing Seat Cover Signs. These easy-to-use seat covers will help promote social distancing. Easy to read messages communicate clearly which seats are “Open” or “Closed”. Graphic prints fold over the seatback for messaging on both sides of the chair. Flatten the curve with visual cues and ensure safety regulations are being followed.

We offer 10 pre-designed options to choose from or you can upload your own artwork for a custom print!

Minimum order quantity of 10

Easy to Use:

1. Open Graphics up from the bottom.
2. Then slip it over the chair backing.
3. Pull straps on either side of the seats to fasten
