[The Mini-Options Literature Display Stand](#)

The Mini-Options Literature Display Stand

The Perfect Size for a Perfect Fit! The 5 pocket Mini-Options Literature Display Stand is only 46 inches tall and fits perfectly into your trade show booth - or wherever floor space is in short supply.

The secret is in the curve. The Mini-Options Literature Display pockets have a patented curve that keeps literature from flopping over. Your message is always visible and accessible. Whether you use letter or legal size paper, forms, or brochures, your literature is immediately recognized with more than 50% showing above the pocket. The unique patented base design gives you the flexibility of having two display stands in one! You have the option to place your stand snug up against a wall or partition, using only 7 inches of floor space. Or, flip down the back of the base to lock it into the

freestanding position and place your stand wherever you want your literature to be at the forefront and presented at its best. You can also attach your stand directly to the wall by using two screws in the small holes provided in the legs.

The Mini-Options Literature stand is also just the right size to fit into 48" tall Trade show shipping containers.

Available in Black. Ships completely assembled.

[Also available in Black, Gray, and Putty color choices: The 6 pocket "Options" Literature Display Stand!](#)

Price: \$290.00

[The Options Literature Display Stand](#)

The Options Literature Display Stand

Snug against the wall or freestanding, the 6 Pocket Options Literature Display Stand gives you the choice!

The secret is in the curve. . . The Options Literature Display pockets have a patented curve that keeps literature upright. Your message is always visible and accessible. Its unique design features six curved pockets that keep literature, brochures, and magazines upright. Literature never flops

over—even with more than 1/2 the page showing above the pocket. Pockets are finely textured—preventing scratches or fingerprints to mar appearance. Made of high-quality impact-resistant rubberized polystyrene, pockets are guaranteed unbreakable under normal office use. Sturdy metal construction of legs and base are powder-coated to match the pocket color for a durable and attractive finish.

The patented base design gives you the flexibility to place your stand snug against a wall or partition. Your stand may be permanently attached to the wall through the small holes in the legs. Or, flip down the back of the base to lock it into the freestanding position and place your stand wherever you need to present your literature at its best. Space-Saving Freestanding Design is Perfect for Lobbies, Offices, and Tradeshows.

Available in Black, Gray, and Putty colors. Ships completely assembled.

[Also available in Black: The 5 pocket Mini-Option!](#)

Price: \$325.00
