[Impact Teslaform Charging Tower Stand](#)

Impact Teslaform Charging Tower Stand

The Impact Teslaform Charging Tower provides a way to attract visitors in need of a quick charge for their electronic devices. With a large circular header, you can get your company name or specific branding out there and seen. With an illuminated eye-catching fabric center structure. No one will be able to miss this tower. This tower provides the perfect opportunity to engage clients while they wait for their device to charge.

Excellent for retail environments, events and tradeshow alike. The charging tower features 16 charging tips - eight Android® and eight Apple®, as well as zippered backlit fabric graphics and a thermoform countertop and base. The Charging Tower is ideal for retail applications, trade shows, and events.

Details:

- Features 16 high-speed charging tips: (8) Micro USB for Android devices and (8) Apple 8-pin for Apple iPhone/iPad/Lightning devices
- Features a circular fabric header for branding and an illuminated center structure
- The vertical tower features a dye-sublimation zipper pillowcase fabric
- Base and tabletop color offered in a choice of four thermoform color options - silver, black, mahogany or natural
