Impact Multimedia Sphere Display

Get 360° of attention and stand out like never before with the Impact Multimedia Sphere!

Draw attention at exhibitions, trade shows, and corporate events with eye-catching, multimedia displays. This display stands out by combining the power of rear projection and full-color printed graphics. Let the Impact Multimedia Sphere help your company get noticed, attract customers, and rise above the competition at your next promotion. Communicate on multiple levels with a branded jacket and a large-screen display that tells your story and holds attention.

Easy to install, the Sphere sets up quickly and works as a hanging, or standing presentation when inflated with air, or as a high impact floating media when filled with helium.

Our freestanding models are easily deployed and user-friendly. The plug & play technology makes the Impact Multimedia Sphere simple to set up and with a click of a thumb, you have impactful audiovisual display while powerful custom branding captures the attention of your target audience.

Increase your visibility and expand your message at your next event or promotion.

The Impact Multimedia Sphere comes in a multitude of sizes and screens and is available for both purchase and rental.
