

FLEXI IPAD DISPLAY : SET UP INSTRUCTIONS

Product Parts

- 1x Preassembled Frame
- 1x iPad Lock
- 1x Printed Graphic
- 1x TOOLKIT
 - 2x Pair of Gloves (to protect graphic)

NOTE:

All frame pieces are color coded to avoid mixing with other frames. All of the elements used to assemble this frame are labeled with LIKE colored decals.

Step 1

Slide iPad into the space between the two faceplates.

Step 2

Slide the iPad lock into the slots located on the faceplate and lock with the key.

Step 3

Wearing the gloves provided, slide the printed graphic down the cutout on the Plexi stand. Lock the graphic into place with the screw.

Step 4

Carefully move the frame into position.
