IMPACT THUNDER

OUTDOOR BANNER STAND

Viewable Graphic Area (extend background to here / edge of artboard) 97"w x 97"

Green dashed line indicates focus graphics safe area (keep focus graphics within this area)

- CMYK color
- Resolutions must be 100-150ppi
- All fonts must be converted to outlines (Illustrator/InDesign)
- Embed all images in final document (Illustrator/InDesign)
- Delete template layers and save as PDF or high-res JPEG for print

While designing, it's a good idea to zoom to 100% and scroll throughout layout to check artwork print quality.

Designers: Final layout should be proofed with client before being sent in for printing.
